

The 6th International Dharmakīrti Conference
August 22nd-26th, 2022

The third circular, May 9, 2022

Dear Colleagues,

We wish peace on earth and hope that all of you are well and healthy.

We are pleased to announce that as previously planned, the 6th International Dharmakīrti Conference will be held at Dongguk University in Seoul, South Korea from 22nd to 26th of August, 2022.

The Korean government has now lifted the mandatory quarantine requirement for persons traveling from overseas; so fully vaccinated individuals will have no problem to attend at the next Dharmakīrti conference. We even expect that non-vaccinated one will be able to participate in the conference in coming August.

Attached to this email, please find a program and information on hotels near Dongguk University. Assigned date or time for your presentation is rescheduled as some scholars will present their paper through online.

The information regarding hotels includes a list of their English website and the approximate accommodation fee per night. We strongly recommend you to make a reservation as soon as possible. If you have any difficulty, please do not hesitate to contact us via email: The planning committee (dharmakirti2020@gmail.com). We are very much looking forward to seeing all of you at the conference this summer.

Take care and best wishes,

The planning committee
